

Business English

Our Services

Occasio solves some of the challenges that professionals and businesspeople face when they seek to do business with foreign partners and clients. These challenges include:

- The need for greater practice of the English language in a business environment.
- Dialogue and interaction between people of different cultures.
- To know the key words in a more formal communication in English.

Occasio offers an online program for university students and professionals interested in learning, improving, and practicing "Business English" - as it is really used in the market, with international clients.
